## A200 - Spanish Silver

Low tension, silver plated wound on pre-stretched monofilament nylon

- A200 Spanish Silver SET
- Single strings also available*

# ARANJUEZ®

## A400 - Concert Silver

Hard tension strings, silver plated, wound on double pre-stretched monofilament nylon. The choice of many professional players. The special treatment of the nylon ensures that the strings retain their pitch very soon after initial fitting and that tuning remains stable. Full, strong sound.

- A400 SET, Concert Silver
- A401 E 1st, monofilament nylon
- A402 B 2nd, monofilament nylon
- A403 G 3rd, monofilament nylon
- A404 D 4th, silver plated wound nylon
- A405 A 5th, silver plated wound nylon
- A406 E 6th, silver plated wound nylon

## A700 - Concert Gold

As A400 but more mellow sound

- A700 SET, Concert Gold
- Single strings also available*
